Preamble

This Agreement is effective July 1, 2018, and is made between the Rutgers, the State University of New Jersey, 57 U.S. Highway 1 South, New Brunswick, NJ 08901 (hereinafter called “the University”) and the Communications Workers of America, AFL-CIO, (hereinafter called “the Union”).

The parties recognize that it is the responsibility of the University to provide high quality educational programs, to encourage the development of new knowledge through research and to provide patient care services to the larger community. This Agreement is intended to contribute to the fulfillment of those responsibilities. The University and the Union recognize that it is in the best interests of the parties that all dealings between them continue to be characterized by mutual responsibility and respect. To this end, they mutually enter into this Agreement, which sets forth the employment relationship between the University and the staff members subject to this Agreement under applicable State and Federal law.

The parties agree that the Preamble Clause is not subject to the grievance procedure.

1. Recognition

The University hereby recognizes the Union as the exclusive representative for the purpose of collective negotiations for all terms and conditions of employment in the bargaining unit, as certified by the Public Employment Relations Commission in its Certification of Representation dated April 29, 1994 (Docket No. RO-94-68) and as amended by decision of the Public Employment Relations Commission and by the agreement between the parties dated November 4, 1994.

The University recognizes the Union as the exclusive collective bargaining representative of any staff member covered by this Agreement. Staff members covered by this Agreement include all full-time and part-time employees in the titles listed at the end of this Agreement, in addition to employees performing negotiations unit work, who are not in a title represented by another employee organization representing employees at the University. Part-time employees covered by this Agreement include all employees in one of the listed titles or performing negotiations unit work and who work an average of four or more hours per week over a period of ninety (90) days. Excluded are those job titles set forth in the Certificate of Representation as not included in the unit, except for those titles required to be in the negotiations unit pursuant to the Employer-Employee Relations Act, N.J.S.A. 34:13A, et seq., as amended by the Workplace Democracy Enhancement Act.

2. Management Rights

The University retains and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in it by the laws and Constitution of the State of New Jersey and of the United States of America.

Except as specifically abridged, limited or modified by the terms of the Agreement between the University and the Union, all such rights, powers, duties, authority, prerogatives of management and the responsibility to promulgate and enforce reasonable rules and regulations governing the conduct and the activities of staff members are retained by the University.

3. Union Status

3.1 New Staff Members:

At the time a new staff member subject to this Agreement is hired, the University will deliver to him/her a mutually agreed upon written notice provided by the Union, which includes a list of Union Representatives. (Representatives are defined as staff members under this Agreement who are authorized by the Union to represent it.)

A representative designated by the Union will be provided time at new employee orientations, for a minimum of thirty (30) minutes and a maximum of one hundred-twenty (120) minutes, to speak with all new staff within thirty (30) calendar days of hire.

In lieu of being provided time at orientation, the Union shall be allowed a minimum of thirty (30) minutes to meet with newly hired or promoted staff members within thirty (30) calendar days of hire or promotion. Prior to meeting with a newly hired or promoted staff member, the Union shall notify the unit's member's manager or immediate supervisor and the Campus Human Resources Office.

3.2 Union Dues:

The University agrees to deduct from the regular paycheck of a staff member included in the bargaining unit, dues for the Union, provided that the staff member authorizes such deduction in writing in proper form to the local Human Resources Office. The University shall make Union dues deductions from a new staff member in the pay period next following the thirty (30) days after the staff member's date of hire. Union dues deductions from any staff member in the bargaining unit shall be limited to the Union, the duly certified majority representative.

For the purpose of calculating dues deductions, reimbursement for tuition shall not be included as part of the gross salary of staff. Withdrawals of unit member authorizations for the deduction of dues shall be in accordance with applicable statutes, court decisions and the terms of the agreement set forth between the CWA and the unit member on the membership/dues authorization card, or equivalent document.

In the event a claim is filed by a member or former member of the negotiations unit for a return of dues deducted from the member's paycheck pursuant to this Article, the CWA shall be solely responsible for the return of such dues, provided the University transmitted the dues to CWA, and provided CWA or a court determines that CWA or the University is obligated to return the dues.

3.3 Transmission of Dues:

Dues so deducted by the University shall, within ten (10) days of the date of deduction, be transmitted to the designated officer of the Union together with a list of staff members included, the amount deducted, hours worked and their hourly rate of pay. Once dues are transmitted to the Union, their disposition shall be the sole and exclusive responsibility of the Union. The Union shall certify to the University the amount of Union dues and shall notify the University of any changes in dues structure forty-five (45) days in advance of the requested date of such change.

3.4 Union Representatives, Rights and Limitations:

The Union shall furnish the University Office of Labor Relations a list of all official Union representatives, specifying their authority and showing the name, title or office for each and the departments and shifts for which they function. The Union shall notify the University of any changes in the list and keep it current.

Both parties agree to recognize and deal with only properly authorized and empowered University or Union representatives who are officially made responsible by the parties' written compliance with the Section.

It is agreed that the Union will appoint or elect up to twelve (12) representatives, including officers who will be recognized by the University in their defined authority to act for the Union. The Union's Officers will be its Branch President, Branch Vice President and Branch Secretary-Treasurer for the Newark and Piscataway/New Brunswick Campuses.

The names of those representatives and officers will be provided to University Office of Labor Relations and updated within thirty (30) days of any change.

The University agrees that during working hours on its premises and without loss of base pay or when otherwise agreed upon, Union representatives previously designated and authorized to represent the Union and recognized by the University shall be allowed to:

- a) Represent a staff member in the department/work unit.
- b) Investigate a grievance, providing such investigation time will be limited to a maximum of one (1) hour and further provided there is no interruption of work activities. In emergency situations, these time limitations may be extended if approved by the Office of Human Resources or the Supervisor on duty, should the Office of Human Resources be closed.
- c) Post Union notices.
- d) Attend negotiating meetings (the number of representatives to be agreed upon between the Union and the University) if designated as a member of the negotiating team scheduled to attend by the Union.
- e) Attend scheduled meetings with the University.

The authorized Union representative shall provide reasonable notification to his/her manager or immediate supervisor whenever he requests permission to transact such Union business. Permission will not be unreasonably withheld. It is further understood that the manager or immediate supervisor of the authorized Union representatives has the right to seek rescheduling of appointments when the work situation warrants this.

The Union shall have the right to use the University's email system to communicate with negotiations unit members regarding collective negotiations, the administration of its collective negotiations agreement, the investigation of grievances, other workplace related complaints and issues, and internal union matters involving the governance or business of the union. The Union agrees that in using the University's e-mail system, it will comply with all policies and guidelines of the University Office of Information Technology.

Any mail incorrectly addressed to the Union at the University shall be forwarded with reasonable care to the Union at CWA Local 1031, 84 Culver Road, Monmouth Junction, New Jersey, 08852. When the Union has mail to be delivered to its officers or representatives, the University's Inter-Office Mail System will be made available provided that priority is retained for University business.

3.5 Union Business:

The University agrees to provide leave of absence at the base rate of pay equal to the length of the staff member's regular work shift for officers of the Union to attend Union activities.

The Union shall have the right to designate any Union officers (Local officers and Shop Stewards) for such leaves of absence. A total of twenty (20) days of such leave in the aggregate may be used each fiscal year of this Agreement.

This leave is to be used exclusively for participation in union meetings or conventions of labor organizations with which the Union is affiliated, or for training programs for Union representatives and Union Officers. Written notice from the Union to utilize such leave time for a staff member shall be given to the staff member's supervisor with a copy to the Office of Human Resources at least fourteen (14) days in advance of the date of such meeting except in an emergency, when less notice may be given. Granting of such leave to a staff member shall not be unreasonably denied by the University.

In addition, the University agrees to provide leave of absence without pay for officers or representatives of the Union to attend Union activities. A total of ten (10) days in the aggregate of such leave of absence without pay may be used in each fiscal year of this Agreement. Granting of such leave shall not be unreasonably denied by the University. This additional leave of absence without pay is to be used with the same conditions and restrictions as leave for Union business with pay provided in this section.

3.6 Information and Data:

A list of supervisory titles and their respective salary ranges shall be appended to the collective bargaining agreement. This is for informational purposes only. The Supervisory Title List shall be edited to include those titles in use at the time of the execution of the Agreement.

The University shall continue to provide the Union with revisions of University and Human Resource Policies in a timely manner. The Union will be placed on an e-mail list to receive all notices of changes in University policies and the changes in the policies.

Within ten (10) calendar days from the date of hire of negotiations unit employees, the University will provide the Union with the following information if it is on file with the University: name, ID, job title, department, union, building/location/work address, supervisor, job grade, home address, work telephone number, any home and personal cellular telephone numbers, date of hire, work email address, and any personal email address.

The University shall maintain a listing of bargaining unit employees who have separated from the University in the Union Data Library, and this list shall be updated monthly. This list will include: name, university ID, campus, title, hire date, separation date, unit/school, and salary table.

The University shall maintain a Union Data Library which shall contain the following information about members of the bargaining unit if on file with the University: last name, first name, home address, job title, job class code, grade, annual salary, position number, department, building/location/work address, workweek designation, percent of FTE, employment dates, email address, personal email address, member status, cellular phone number, work phone number, shift, and gender. Access to the Union Data Library will be limited to a person(s) designated by the Union and agreed to with the Director of Labor Relations or his designee.

The University agrees to provide CWA, on a quarterly basis, with a report on all reclassifications within the bargaining unit.

The University agrees to provide CWA with a copy of each generic position summary for CWA bargaining unit titles.

3.7 Bulletin Boards:

The University shall provide space on four (4) centrally located bulletin boards: two (2) on the Newark campus, one (1) at the Robert Wood Johnson Medical School in Piscataway, and one (1) at the Clinical Academic Building in New Brunswick, for the exclusive use of the Union.

3.8 Union Access to Premises:

Authorized representatives of CWA, who are not employees of Rutgers, shall be admitted to the premises of Rutgers under the condition that reasonable access to workplace and facilities will be granted so long as it does not interfere with or disrupt

ongoing work or university activities and operations. Prior to entering the premises of Rutgers, the CWA representatives shall make their presence and destination known to the Office of Labor Relations or the Department/Unit Head or his/her representative responsible for the area to be visited. This provision does not apply to facilities, offices or buildings that the University does not control.

Such Union officials shall have the opportunity to consult with staff before the start of the work shift, during lunch or after completion of a work shift. The University will provide accommodations at its facilities for such meeting, provided space is available, requests are made and approved at least ten (10) working days in advance of the proposed date of use and that liability for the damages, care and maintenance and any costs which are attendant thereto are borne by the Union.

4. Personnel Practices

4.1 Appointment to Position:

Appointment to a position shall be in writing with the date of hire, salary and any differential stated. A job description for the specific position occupied by the newly appointed staff member will be distributed to him/her prior to or at orientation. Other job descriptions defining all positions under this Agreement will be made available for review by an authorized Union representative upon request.

At the time of hire, each bargaining unit member will be informed of his/her current normal workweek and days, current travel requirements, current shift differential, and current on-call requirements. Bargaining unit members holding positions that are grant funded shall be notified in a timely manner if the status of the grant has changed and such change will impact upon the member's terms of employment.

4.2 Outside of Job Classification Work and Reclassifications:

Supervisors shall be assigned work appropriate to their job classification. The parties agree that Supervisors will not be assigned work substantially outside of their job classification.

Claims of work outside their job classification as identified by the Union are to be submitted to Compensation Services with copies sent to the Director of Human Resources Services and the Supervisor's department head. The claims will be investigated, and Compensation Services will provide a written decision within 120 calendar days from the date the claim was submitted. Such response shall include the substantive reason(s) for the determination and be provided to the Union and the Department.

If a Supervisor has performed work substantially outside his/her job classification for a period of three consecutive weeks or 25 or more work days in any 12-month period, the Supervisor will receive pay at the rate of a higher job classification for the period during which substantial higher-level duties were assigned.

If an employee is assigned the duties of a higher title for a period greater than 20 consecutive workdays, the Union or the Department may submit a request to Compensation Services to reclassify the position. Requests for reclassification will be investigated by Compensation Services and a written decision will be provided to the Department and the Union within 120 calendar days from receipt of the request. Reclassification may include a temporary appointment to an acting status, not to exceed one year. The decision of Compensation Services will be final, and implemented the next pay cycle. If appropriate, any implementation will be effective within the next two pay cycles.

In-grade salary adjustments may be used by management to provide increases to employees who experience a demonstrable increase in their job duties or who have fallen behind in pay according to market factors.

Requests for In-Grade Salary Adjustments will be made in writing, by the Union, to Compensation Services, with copies sent to the Director of Labor Relations. A written decision shall be rendered in ninety (90) calendar days. Should the claim be denied, the Union may request to meet with Compensation Services to discuss the decision. The decision of Compensation Services will be final and not subject to arbitration.

If, after Compensation Services renders a decision recommending an in-grade salary adjustment for an employee and the employee's Department does not adopt such decision, the Union may request a review of the Department's decision by the Senior Vice President for Human Resources & Organizational Effectiveness or her designee.

4.3 Vacancies and Promotions:

Supervisors are eligible for a promotion when there is a vacancy, for which they are qualified, in a higher job classification.

All vacant bargaining unit positions that the University intends to fill will be posted through the University Human Resources Online Employment Application Process. The announcement of the position vacancy will include a description of the position, a detailed outline of expected educational and professional requirements, the salary range for the position.

The announcement of the position vacancy will be posted daily online. Interested candidates are to apply online.

All qualified internal candidates who submit timely bids will receive an interview for bargaining unit position vacancies. Upon request, copies of the job description shall be made available.

Each internal candidate will be notified in writing of the decision with respect to his/her candidacy. This decision will indicate: 1) the applicant has been offered the position, or 2) the applicant has not been offered the position, including a reason for such decision. Transfer in status or classification shall not delay the use of entitled benefits.

Voluntarily transferred and promoted bargaining unit members shall serve a ninety (90) calendar day probationary period, subject to a ninety (90) calendar day extension. Such Supervisors shall retain all benefits and rights pertaining to

bargaining unit members, including access to the grievance procedure, except for the decision concerning the outcome and disposition of their probationary period. Should the supervisor fail the probationary period, the University shall return the supervisor to his/her former position if it is still available or will attempt to place the supervisor in a vacancy suitable to his or her work experience. Such vacancy may be at the same or lower level than the title held by the supervisor prior to being transferred or promoted. Should the supervisor's former position not be available and should no suitable vacancy be available, the supervisor will be placed on the recall list.

At any time during the probationary period, the supervisor may return to his or her former position if it is still available. If an employee opts to return to his or her former position, the employee may not bid on another position for six months.

4.4 Reassignment:

Reassignment is the movement of a bargaining unit member from one job assignment to another within such staff member's job classification and within his/her department. Such reassignment may be to another geographic location.

When a bargaining unit member is reassigned within his/her job classification, his/her salary shall not be reduced below that which he/she would have received had the staff member continued in his/her original position.

4.5 Labor-Management Committee:

The Union and the University agree to the establishment of a Labor-Management Committee. The committee shall consist of representatives selected by the Union (not to exceed 8) and representatives of the University (not to exceed 8). The Director of Labor Relations or designee shall attend for the University. In addition, a representative from the administrative offices of the relevant administrative division of the University may attend a specific meeting of the Labor-Management Committee. This meeting will be on an ad hoc basis.

The Labor-Management Committee shall function completely separately from and independent of all grievance procedures under this Agreement. These meetings shall not be considered negotiating sessions. The purpose of the meeting shall be to discuss matters of mutual concern. The Union agrees to supply a proposed agenda to the Director of Labor Relations, at least five (5) business days in advance of the meeting.

The University agrees to release from work, if necessary, the members of the Labor-Management Committee, at no loss of their base rate of pay for the purpose of attending Labor-Management Committee meetings. The Union shall inform the University's Office of Human Resources of the members of these Committees thirty (30) days prior to the first meeting.

The University and the Union agree that campus-based issues may be discussed with the Director of Labor Relations or designee on an ad hoc basis.

4.6 Supervisor Performance Evaluation:

- A. The annual supervisory performance evaluation will be done on a prompt and timely basis. At the time of the evaluation, the supervisor will be provided a copy of his/her job description. The supervisor being evaluated will be provided a copy of his/her performance evaluation and will have three (3) calendar days, excluding holidays and weekends, to review the evaluation. By the conclusion of the time period, the supervisor may add his/her comments to the original performance evaluation and shall sign the original performance evaluation. Comments added by the supervisor shall be included in the Supervisor's Personnel file in Human Resources.
- B. If comments are not made within this period or the supervisor does not sign within this period, the right to comment will be forfeited, the manager or immediate supervisor will note the refusal to sign and forward the evaluation to Human Resources for inclusion in the Personnel file.
- C. Prior to evaluating a supervisor as a "2" or a "1," the supervisor's manager or immediate supervisor must notify the supervisor that his/her performance is deficient and that he/she may receive no performance-based increases. Such notification shall be made through a written memorandum, documented oral warning, and/or written warning regarding performance issues. In addition, such notification shall contain a description of the performance deficiencies and the corrective actions needed to remedy the performance deficiencies.
- D. Upon the mutual consent of the supervisor and his/her manager or immediate supervisor, his/her manager or immediate supervisor, and a Union representative shall meet to discuss performance issues. Such a meeting shall not be considered part of the grievance procedure. Further, the performance rating of the supervisor is not subject to the grievance procedure.
- E. Beginning FY 2001, the Supervisor's annual evaluation will occur on or about November 1. Each overall evaluation shall fall into one of the following categories: "5" (highest), "4," "3," "2" or "1" (lowest).
- F. Each supervisor shall be notified of his/her rating and given an opportunity to participate in the formulation of performance standards and improvement goals for the next appropriate evaluation. The period of such re-evaluation should be established consistent with the performance standards and improvement goals developed by the supervisor and his/her manager or immediate supervisor.
- G. The supervisor shall be provided with copies of the performance evaluation and the agreement on performance standards and improvement goals. All evaluations shall be signed by the supervisor and by the manager or immediate supervisor before being placed in the supervisor's personnel file. The supervisor's signature shall signify that the supervisor has seen and reviewed the evaluation, but not that she/he necessarily concurs with its contents.
- H. If a supervisor received a rating of "2," the manager or immediate supervisor shall review the substance of performance deficiencies with the supervisor and shall counsel the supervisor as to appropriate steps which should be taken to improve

performance and shall review with the supervisor any warnings or prior counseling received with respect to performance. The supervisor receiving a “2” will have the right to have a union representative accompanying him/her. Also in attendance will be a representative from Labor Relations. The purpose of the meeting is not to challenge the rating, but to promote the supervisor’s understanding of the basis of the rating and appropriate steps for improvement.

The supervisor’s performance must be re-evaluated after another three (3) month period (within 90 days). If upon re-evaluation the performance has not come up to a “3” level, the re-evaluation shall be considered to be a final warning for purposes of the disciplinary process. The manager or immediate supervisor shall also advise the supervisor that failure to improve performance may result in further discipline up to and including discharge.

- I. A supervisor receiving a rating of “1” shall not be entitled to receive any increase in compensation. Such performance evaluation shall be considered as a final warning for purposes of the disciplinary process. The manager or immediate supervisor shall review the performance deficiencies with the supervisor and shall counsel the supervisor as to appropriate steps that should be taken to improve performance and shall review with the staff member any warnings or prior counseling received with respect to performance. The performance of supervisors receiving the level “1” evaluation shall be carefully monitored by the manager or immediate supervisor. If performance remains below the “3” level after three months, such supervisor shall be discharged.
- J. The supervisor’s performance evaluation rating is not subject to the contractual grievance procedure (Article 14).
- K. Violation of the procedure set forth above is subject to the contractual grievance procedure.

Such examination shall not require a loss of paid time. If requested by the staff member, a Union representative may accompany the staff member.

A staff member shall be allowed to place in such file a response of reasonable length to anything contained herein. The University will honor a request made by a staff member for a copy of any derogatory item, the Employment application, resume, performance evaluations or any correspondence addressed to the staff member contained in the central Personnel file. Laid off staff members have recall rights beginning with the title and job requirements of the position from which they are laid off, to positions with comparable or lower requirements within the same classification series.

Should a laid off staff member refuse a position when recalled, he/she shall be removed from the recall list. However, staff members shall be allowed to refuse a position if the salary of the position is greater than or equal to 10% less than the salary of their former position. Upon recall, a staff member shall retain his/her original date of hire.

The parties agree that the subject matter of any appeal to arbitration concerning the Vice President for Academic Affairs' decision on bumping rights shall be limited to whether the criteria as to which positions shall be exempt from bumping were applied. Should an arbitrator find that the criteria were not applied by the Vice President, then his/her sole remedy shall be to refer the matter back to the Vice President for reconsideration.

The University will provide a minimum of twenty-eight (28) calendar days notice of layoff to any regular staff member affected.

Information to the Union: The University shall provide the Union with a copy of each layoff notice sent to supervisors. 6. Work Time

6.1 Normal Workday:

For the purpose of determining the application of any non-exempt staff member's base compensation rate, a regular non-exempt staff member's normal workday will be either eight (8), seven and one-half (7-1/2) or seven (7) work hours as determined by the staff members position. This hourly rate will also be used to calculate the compensation of regular part-time staff members. All defined workdays for non-exempt staff members, staff shall include a scheduled meal period as specified in Section 8.15.

Regular full-time exempt supervisors are salaried staff members, and as such their compensation is not determined by the number of hours they work in a workday. Exempt staff members are expected to work the necessary hours to complete their work assignments.

6.2 Normal Workweek:

The workweek begins at 12:01am, Sunday and ends midnight Saturday. When systematically feasible by Rutgers, the pay period shall commence at 12:00 a.m. Saturday and end at 11:59 p.m. Friday.

6.3 Work Schedules:

Requests or preferences for time off will be submitted in writing no less than one(1) week in advance of the date(s) requested except that PH or AL day may be used with less notice in the case of an emergency. Management has the right to require proof of an emergency usage of PH or AL day. The University will respond in writing to all written requests within one (1) week of submission.

When there are vacancies on shifts, supervisors desiring a change in shift will submit such requests to their department, and shall apply for the position online. Such requests shall be given preferential treatment in the supervisor's order of seniority, subject to consideration of the employee's qualifications to perform the duties of the position and the operational needs of the University.

Supervisors shall receive no less than two (2) weeks notice, except in the event of an emergency, of a change in scheduled hours that requires a supervisor to work evening, night or weekend hours on a regular basis. Upon request, the University shall meet with the Union only to discuss the change in schedule and its impact on affected staff. If possible, and where determined by the University to be appropriate, the University will seek volunteers to change to new department schedules as set

forth in this paragraph. A volunteer may be assigned such new department schedule, provided he/she is qualified to perform the work at issue.

6.4 Overtime Work and Compensatory Time Off:

A non-exempt staff member may request overtime payment or compensatory time off for hours worked in excess of his/her work week. The University retains the option of paying non-exempt staff members overtime or granting compensatory time off as provided for in the Fair Labor Standards Act (F.L.S.A.) for public employment.

Compensatory time off for exempt staff members shall be in accord with current University policy.

Bargaining unit employees may be permitted to take at least two (2) compensatory days per month, provided that the employer approves of said request within its sole discretion, and based upon its operational needs.

Employees who are regularly scheduled to be on call to respond to mental health and other emergencies shall receive one (1) hour of compensatory time for every ten (10) hours they are required to be on call.

6.5 Weekend Defined:

A weekend shall be defined as Saturday and Sunday for all staff members.

7.2 Premium Compensation Rate – Overtime Work:

A. Non-Exempt Staff

The University conforms to the Fair Labor Standards Act (FLSA) for Public Employment. All non-exempt staff members shall be compensated at time and one-half (1-1/2) for all time worked in excess of forty (40) hours for the week. Such overtime shall be compensated, at the University's option, either by (a) payment, or (b) compensatory time off.

For the purpose of computing overtime, all time worked on a holiday will be counted toward computing overtime. This will not affect the payment of the holiday premium paid for working a holiday.

All unworked but paid holidays shall be counted as hours worked for overtime and all paid vacation time shall be counted as hours worked for overtime purpose. However, all paid sick time shall not be counted as hours worked for overtime purposes.

B. Exempt Staff

Exempt staff members are not eligible for overtime payment. Compensatory time off for exempt staff members shall be in accord with current university policy.

7.3 Pay Period:

Frequency of payment will continue as heretofore. All paychecks shall be delivered and available on the Friday of each pay week. Pay stubs will clearly identify specific hours worked and compensated.

Staff members may opt for direct deposit of their paycheck into their personal bank account. Staff members may pick up their pay stubs on payday, or for one (1) week thereafter at a designated site at each facility. When an error in pay has been made, the University will issue a check with the correction within two payroll (2) workdays of notification or error, with proper deductions.

7.4 Salary Increase Date:

Salary increases that may be delayed will be paid retroactively to the date upon which the increase is scheduled to take effect.

7.5 Daylight Savings Time:

If a non-exempt staff member actually works one (1) hour greater than his/her scheduled hours of work as a result of an adjustment in daylight savings time, he/she shall receive one (1) hours pay at either straight time or at time and one-half (1-1/2) depending on the hours worked that week. If a non-exempt staff member works one (1) hour less than his/her scheduled hours of work as a result of an adjustment in daylight savings time, he/she will be compensated for the time actually worked.

7.6 Adverse Weather Events:

If required to work during adverse weather event, an employee will be compensated pursuant to University policy 60.1.29. Salaried employees, who are designated as essential and required to work during Delayed Openings, Closure/Weather Emergency, Closure/Emergency Curtailment of Operations, shall be granted compensatory time off on an hour for hour basis.

8. Monetary Benefits: Time Not Worked

8.1 Standard Day:

For the purposes of monetary benefits for time not worked, a standard day shall be defined as the standard work week hours for that classification (i.e., non-exempt 35 hours, or 37.5 hours, or 40 hours, or exempt a minimum of 37.5 hours) divided by 5. For example, 35 hours per week divided by 5 equals a standard day of 7 hours. This is pro-rated for part-time employees (e.g., 24 hours per week divided by 5 equals 4.8 hours as a day).

8.2 Holiday Designation:

The parties agree to use the Rutgers’ calendar, which is fiscal year based and runs from July 1 to June 30.

All Full Time staff members will be entitled annually to eight (8) holidays. Part Time staff members will have the holiday time pro-rated based on the number of hours he/she was hired to work per pay period. The eight (8) holidays are:

| | |

| New Year’s Day | Labor Day |
| Martin Luther King Birthday | Thanksgiving Day |
| Memorial Day | Day After Thanksgiving |
| Independence Day | Christmas Day |

Effective July 1, 2016, staff members shall receive nine (9) days off designated as follows: (a) two personal days (PH); (b) three administrative leave days (AL); and (c) four mandatory leave days (ML) received in November. Such paid days must be used in the same fiscal year, as they were received and are not eligible for payout upon separation. Rutgers may designate which facilities/work units that provide essential services to the community will not be closed like the rest of the university, during the designation of the four mandatory leave days referenced above.

Employees working in facilities/work units as referenced above, shall not lose the four mandatory leave days even if their facility/work unit does not close. Rather, they will be permitted to take the ML days or a personal day either on the same dates that Rutgers closes or some other date at the mutual agreement of the employee and their supervisor. Such paid ML, PH and AL days must be used in the same fiscal year as they were given and are not eligible for payout upon separation from Rutgers. If operationally feasible, essential employees who request the use of an ML day on the shutdown day(s), referenced above, shall have them granted in seniority order. Such requests shall not be unreasonably denied.

Requests to use single paid personal days that are made with at least five (5) workdays notice in advance shall not be denied. Requests to use consecutive (2 or more) paid personal days that are made within 45 calendar days’ notice in advance shall not be denied. If more than one unit member requests the same time off, if operationally feasible the request off will be granted in seniority order.

PH and AL days may be used for emergencies, personal matters, observation of religious or other days of celebration (but no officially recognized University holidays).

Managers or immediate supervisors shall have the right to require proof of an emergency. The University agrees that such proof shall be kept confidential. Failure of a supervisor to supply such proof shall result in a salary deletion for the day(s) and appropriate disciplinary action may be taken if warranted.

For staff members subject to a seven (7) day a week schedule, New Year’s Day, Independence Day, and Christmas shall be observed on the actual day they occur, e.g.,

if Christmas falls on Saturday, it shall be observed on Saturday. For staff members subject to a Monday – Friday schedule, these holidays will be observed as follows:

If the holiday falls on a Saturday, it will be observed the preceding Friday. If it falls on Sunday, it will be observed the next day, Monday.

Staff members, absent compelling documentation of illness or emergency, who call off on the scheduled day before or after a holiday or if scheduled to work the holiday call off, will be salary deleted and forfeit the holiday.

8.3 Holiday Entitlement:

The University shall have the right, at its sole discretion, to require any staff member to work on the holidays specified above. The University agrees to assign holidays off on an equitable and rotational basis.

If the holiday falls on a staff member's day off, he/she shall receive another day off for the holiday. The holiday may not be used prior to the date the actual holiday is observed and shall be scheduled within sixty (60) calendar days after the date the actual holiday is observed. If the staff member has requested, but not received the compensatory time off for the holiday by the sixty (60) calendar day period, the University will either pay the staff member for the holiday at his/her base rate of pay or shall be scheduled for the time off by the next pay period.

If a holiday falls during a staff member's vacation, the day will be observed as a holiday and vacation time will not be charged for the day.

8.4 Holiday Pay:

- A. Non-exempt supervisors who are required to work on a holiday shall be paid at the rate of time and one-half (1-1/2) their base rate of pay for all hours worked. In addition, they shall receive either a scheduled day off or be credited with one (1) day of compensatory time.

| | |
|-------------------------------|--------------|

| Martin Luther King's Birthday | Thanksgiving |
| Memorial Day | Christmas |
| Independence Day | |

D. Non-exempt supervisors who are required to work the Day after Thanksgiving shall be paid at straight time for all hours worked. In addition, the non-exempt supervisors will receive a scheduled day off or be credited with one day compensatory time.

E. Holidays for Twelve Hour Shift Staff

1. All full and part-time staff in active status January 1 of each year will be credited with six (48 hours) float holidays and may use these holidays in accordance with University Policy and this Article.
2. Full and part-time staff that are routinely scheduled to work twelve (12) hour shifts shall be compensated for the nine holidays (72) hours. University designated holidays are as follows:
 - a) For the period July 1 through November 30 of each year of this Agreement, each staff member will be compensated in a lump sum payment in December for all four (4) University designated holidays which fell within this period while the staff member was actively employed. A staff member not in active status on a day designated by the University as a holiday will not receive compensation for such holiday.
 - b) For the period December 1 through June 30 of each year of this Agreement, each staff member will be compensated, in a lump sum payment in July, for all five (5) University designated holidays which fell within this period while the staff member was actively employed. A staff member not in active status on a day designated by the University as a holiday, will not receive compensation for such holiday.
 - c) A non-exempt staff member scheduled to work on a contractually designated holiday will be compensated, at the rate of time and one-half at his/her base rate of pay or at his/her regular rate of all hours worked, depending on the holiday (See 8.02C and 8.02D).
 - d) Upon termination of employment or upon transfer out of the twelve-hour shift, the staff member will be compensated for accrued holiday pay for any University designated holiday which has not been paid less any monies the staff member may owe the University.

8.5 Vacation Amount:

Vacation accruals for newly hired or rehired staff will commence upon the successful completion of the first ninety (90) days of employment and will be credited retroactively to the staff member's date of hire or rehire.

Vacation time will accrue in each fiscal year in accordance with the following schedule. The annual rate will change in the month when the staff member reaches a service milestone if the staff member's anniversary date is before the 16th of the month and will change effective the following month if the staff member's anniversary date is the 16th of the month or after.

Vacation accruals are cumulative from one fiscal year to the next up to an amount equal to one (1) year of accruals. When unusual circumstances warrant an exception, amounts greater than one (1) year can be carried over with approval from the supervisor's department head and the Vice President of Faculty and Staff Resources.

8.6 Vacation Accruals:

A staff member will be paid for vacation at his/her base rate of pay.

| Effective January 1, 2000 | |
|---------------------------|---|
| Length of Service | Annual Rate per Month |
| 1-10 years | One and one quarter Days (1-1/4 days) |
| 11-20 Years | One and two thirds Days (1-2/3 days) |
| 21 Years and Greater | Two and one twelfth Days (2-1/12 days) |

8.7 Vacation Entitlement:

All regular Part-time staff who are included in this bargaining unit shall accrue vacation credit on a proportionate basis based upon the number of hours the staff member is regularly scheduled to work. Vacation credit shall not accrue when a staff member is on an unpaid leave except that he/she will receive credit for the month the leave commenced provided the leave commenced on or after the 16th and will receive credit for the month he/she returns from leave provided the staff member returns on or prior to the 15th of the month.

A staff member who has resigned with appropriate notice, or who has been discharged except for cause, shall be entitled to vacation allowance of unused vacation time accrued within the time limit described previously, less any overdrawn sick time allotment except that a staff member separated during the initial hire or rehire probationary period will not be entitled to such allowance.

If a staff member dies having vacation credits accrued within the limits described previously, a sum of money equal to the compensation computed on said staff member's base salary rate at the time of death shall be calculated and paid to his/her estate less any overdrawn sick time allotment.

8.8 Vacation Scheduling:

The vacation period will be the entire year. The staff member will, subject to the University's operating requirements, have his/her choice of vacation time; it being recognized, however, that vacations must be scheduled by the University in manner designed to ensure the effective and efficient operation of the University, including staffing needs. No part of a staff member's scheduled vacation may be charged to sick time.

The University may restrict the amount of vacation time granted to a staff member during prime vacation periods to allow for equitable distribution of prime vacation time among staff members. The prime vacation periods will normally be June 1 through Labor Day, December 1 to January 15th.

A staff member may carry a maximum of one (1) year of accrued vacation allowance forward into the next succeeding year.

By September 1st of each year, a staff member's department head/designee will advise the staff member of the number of vacation days remaining which must be used by the end of the calendar year or forfeited.

Vacation requests for each "vacation year" of April through March 31 that involve the use of one (1) or more weeks of vacation, must be planned and requested by February 15th of each year. The staff member will submit three (3) choices of vacation time in order of priority. In situations in which choices of vacation are timely and two (2) or more staff members request the same time period, University seniority will prevail. A written response to the staff member's request will be provided by March 15th.

Failure to submit a vacation request by February 15th will result in loss of seniority status as it relates to vacation requests for the upcoming year. Any vacation requests submitted after February 15th, including those of less than (1) week, will be treated on a first come basis and not decided by seniority. A request must be submitted a minimum of thirty

(30) days before the effective date of the vacation, unless waived by mutual agreement with the department head/designee. A written response to the request will be provided within seven (7) calendar days of receipt.

With approval, vacation time may be taken as single or multiple days, single or multiple weeks.

Staff members assigned to units that are open 7 days a week, 24 hours a day, shall not be required to find replacement coverage for themselves as a condition of approval of requested vacation time, including weekends, unless the vacation is requested after the schedule is posted. Notwithstanding the above, the University has at all times the discretion to deny vacation requests based upon its operational needs, including staffing.

8.9 Sick Leave, Entitlement and Amount:

A. Accrual of Paid Sick Leave

1. Full-time employees shall accrue fifteen (15) days of sick Leave in each fiscal year at the rate of one and one fourth (1-1/4) days per month. 2. Regularly appointed part-time staff employees accrue sick leave on the same basis as full-time employees except that such accrual shall be prorated according to the percentage of time appointed. For example, a 50% time employee earns seven and one-half (7.5) full-time days by the end of the fiscal year (fifteen (15) full-time days at 50% equals seven and one-half (7.5) full-time days).
3. Employees will be paid for sick leave at their regular rate of pay.
4. Unused sick leave is cumulative.

B. Use of Sick Leave

1. Sick leave may be used for the employee's own illness, exposure of the employee to contagious disease, and pre-planned medical and dental appointments provided that the employee submits a request as soon as is practical with the expectation that the employee shall provide at least one week's notice if possible. Requests to use paid sick leave shall not be unreasonably denied. All requests shall be consistent with medical confidentiality. Upon request, the employee shall provide verification from the employee's medical or dental provider of the date and time of the appointment. If a request is initially denied and the employee provides verification of the medical necessity of the specific date and time of the appointment, the employee's request to utilize sick time for that date shall not be denied.
2. An employee may use up to 15 paid sick days to care for a seriously ill family member. A request to use additional paid sick leave to care for a seriously ill family member shall not be unreasonably denied.

Nothing in this Agreement shall be construed to waive or reduce rights or benefits provided pursuant to the New Jersey Earned Sick Leave law (Assembly Bill No. A1827, an act concerning earned sick leave signed into law on May 2nd, 2018 and supplementing New Jersey P.L. 1966, c. 113 (C.34-11-56a *et seq.*) (the "Earned Sick Leave Act").
 - c. While on an unpaid leave an employee shall continue to receive health benefits, provided the employee contributes at the same rate the employee contributed prior to being on unpaid leave.

8.10 Procedures for the Use of Paid Sick Leave

1. Employees are required to comply with the departmental call in procedure. If the illness extends beyond one (1) day, the employee must continue to call in ill each day unless they have already indicated to their supervisor an expected return date. If the illness extends beyond the expected return date, he/she must call in with a new expected return date.
2. Employees taken ill while on duty or who are seeking treatment for a work related injury or illness and who leave their work station with their supervisor's permission shall be paid for the authorized time spent on the employer's premises and may use accrued sick leave if they desire payment for the balance of the work shift. Employees may be excused without seeking medical attention at the University by their supervisor.

Staff members returning from medical or disability leave must present a note from the treating physician which indicates the date the staff member was able to return to duty and certifying the staff member's fitness to return to work full duty. The University may, at its own cost and expense, have a physician of its choosing perform a physical examination of the staff member to ensure fitness and capability to return to work.

The University agrees to provide adequate and regularly maintained sanitary facilities for supervisor's use. Each supervisor will maintain acceptable standards of personal hygiene and cleanliness in accordance with the requirements of the job.

The University shall make reasonable provisions for the safety and health of its supervisors and will observe all applicable health and safety laws and regulations. The University will provide safety devices for supervisors when deemed appropriate by the University or as required by law and will provide a reasonably safe and healthy place of employment.

A supervisor must report incidents of unsafe and/or unhealthful conditions to his/her manager or immediate supervisor immediately. The University shall respond in a timely manner to all health and safety problems reported by the Union and/or bargaining unit members.

The University and CWA agree to discuss problems concerning health and safety at the bimonthly Labor/Management meetings. Any recommendations concerning

improvement or modification of conditions regarding health and safety shall be reported to the University's Safety Committee by the CWA Union's Committee representative.

The University shall, upon request, provide the Union with the results of all health and safety inspections of the facilities of the University. The University shall notify the Union of all such inspections where the inspections were initiated as a result of a Union/bargaining unit member complaint and/or grievance. The University will also notify the Union in cases where on-going health and safety hazards which may affect bargaining unit members are discovered.

13. No Strike/No Lockout

The Union and the bargaining unit members agree to refrain from any strike, work stoppage, slowdown, concerted refusal to work overtime, or concerted sick call, and will not support or condone any such job action, nor prevent or attempt to prevent the access of any person to the University's facilities during the term of this Agreement. The University agrees that there shall be no lockouts during the term of this Agreement.

14. Discipline and Grievance/Arbitration Procedure

14.1 Definition:

Discipline shall mean official written warning, suspension without pay, disciplinary demotion or discharge from employment at the University. Dismissal from employment or demotion based upon a layoff or operational changes made by the University shall not be construed to be discipline. Oral counseling, although in writing, is not to be considered discipline and shall not be placed in the staff member's central personnel file.

The University shall have the right to discipline staff members for just cause. Just cause for discipline including discharge from employment shall include those causes set forth in the University Rules and Regulations. This list of causes is not exclusive and discipline up to and including discharge from employment may be made for any other combination of circumstances amounting to just cause. The University reserves the right to substitute a second written warning for suspension without pay and such substituted warning shall substitute for suspension in the University's scheme of progressive discipline. Such warning shall not be arbitrable.

The University may, in lieu of suspension for a fixed number of days, and upon mutual consent of the union and the supervisor, deduct up to five days from vacation balances. The disciplinary penalty will be equivalent to the same number of days of suspension and treated for all purposes as equivalent to a suspension.

All suspensions without pay for exempt employees or suspensions without pay of three days or more for nonexempt employees, disciplinary demotions or discharge from employment shall be subject to arbitration as specified in the grievance

procedure set forth in Article 14.02. No other disciplinary actions shall be subject to arbitration.

The University will notify the Union in writing of any discipline within seventy-two (72) hours of the action not including weekends. Failure by the University to properly notify the Union will not void any disciplinary action, but the time limit for filing a grievance will not commence until the date the Union or staff member was notified of the action in writing.

Suspensions that are grieved shall be stayed until the issuance of a Step Two decision, unless the University determines that the employee is a threat to the health and safety of himself/herself or others or is a threat to University property. Until the issuance of Step Two decision, discipline may not be referred to or relied upon in any evaluation, promotional decision or subsequent disciplinary charge.

In the event that an employee serves any portion of a suspension prior to filing a grievance, only the balance of the suspension will be stayed.

14.2 Grievance Procedure:

A. Definition

1. A breach, misinterpretation, or improper application of the terms of this Agreement; or
2. A claimed violation, misinterpretation, or misapplication of rules or regulations, existing policy or orders of the University affecting the terms and conditions of employment.

B. Purpose

The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of this Agreement or other conditions of employment by providing an exclusive vehicle for the settlement of bargaining unit member grievances and to facilitate the uninterrupted operations of the University.

C. General Provision

No grievance settlement reached under the terms of this agreement shall add to, subtract from or modify any terms of this Agreement.

Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration. When a grievant has Union representation, the Union's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Union.

The terms of this Article shall not apply to newly hired employees serving a probationary period.

All time limits are of the essence and may be extended only by mutual agreement between authorized representatives of the University and the Union. Grievances not raised and processed in strict and absolute accordance with the grievance

procedures and time limits will be waived by the Union and staff member and will not be considered.

A grievance which affects a substantial number or class of staff members, or in a case of suspension or discharge, or which the University representative at Step One lacks the authority to settle, may initially be presented at Step Two of the grievance procedure.

D. Preliminary Informal Procedure

A supervisor may orally present and discuss a grievance with his/her manager or immediate supervisor. At the supervisor's option, he/she may request the presence of a Union representative. If the supervisor exercises this option, the manager or immediate supervisor may determine that such grievance be moved to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is mutually agreed upon in writing.

If an informal discussion does not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

E. Formal Steps

Step One:

All disciplinary grievances must be signed by the individual grievants prior to the filing of the Step 1 (or Step II) appeal or within two (2) workdays of the filing of the appeal.

The grievance shall be reduced to writing and submitted to the department head within thirty (30) calendar days, excluding holidays, from the date upon which the bargaining unit member first gained or should reasonably have gained knowledge of the alleged violation of the Agreement or policy took place. The grievance shall be signed by the grievant and/or Union representative, and shall set forth the nature of the dispute, the relief sought and the specific provision of the Agreement/policy alleged to have been violated.

The department head shall answer the grievance in writing within fourteen (14) calendar days, excluding holidays, after its receipt.

Step Two:

The grievance may be appealed by written notice to the Vice President for Human Resources of the University or his/her representative within ten (10) calendar days, excluding holidays, after the Step One decision was rendered or due.

The grievances filed initially at Step II pursuant to the fifth paragraph of 14.02C, must be filed within thirty (30) calendar days of the date upon which the bargaining unit members first gained or should reasonably have gained knowledge of the action which is the subject of the grievance.

The Vice President for Human Resources or his/her representative will convene a hearing within thirty (30) calendar days, excluding weekends and holidays, after

receipt of the grievance unless extended by mutual agreement. The bargaining unit members may be represented at such hearing by the Union representative or designee. The Vice President for Human Resources or his/her representative will render a decision within thirty (30) calendar days from the date of the conclusion of the hearing.

Step Three Arbitration:

In the event the grievance has not been satisfactorily resolved in Step Two and the grievance involved an alleged violation of the Agreement as described in the definition of a grievance in A(1) above or in the case of discipline as defined as arbitrable in section 14.01, paragraph 4, [then] a request for arbitration may be brought only by the Union within thirty (30) calendar days from the date the Union receives the Step Two decision. The request for arbitration shall be submitted in writing to the Public Employment Relations Commission, with a copy sent to the Director of Labor Relations.

Arbitrators shall be selected, on a case-by-case basis, under the selection procedure of the Public Employment Relations Commission. A transcript of all arbitration hearings may be taken. All expenses of arbitration shall be borne by the University and Union equally, except that the cost of preparing and presenting each party's case or charge for a late cancellation shall be borne by each respective party.

The arbitrator selected shall be requested to hold the arbitration within one hundred and eighty (180) calendar days from receipt of the request for arbitration and render his/her decision within thirty (30) calendar days after the close of the hearing unless such time is extended by mutual consent of the parties in writing.

The arbitrator shall have the right to subpoena relevant documents and witnesses if requested by either party.

The function of the neutral arbitrator shall be a judicial rather than a legislative nature. The arbitrator shall give effect to the plain meaning of the Agreement language and shall not interpret such language unless the meaning of the language is unclear and ambiguous. When an arbitrator is called upon to interpret language in this Agreement, he/she shall render a decision which is consistent with the plain meaning of the interpretation and with general considerations reserved to management by the Public Staff Member Relations Act and case interpretation of the Act.

The arbitrator shall not have the power to add to, subtract from or otherwise amend this Agreement nor shall he/she have the authority to prescribe a monetary award as a penalty for a violation of this Agreement.

Should the arbitrator reinstate a staff member with back pay, the staff member may be paid for the hours he/she would have worked in his/her normally scheduled work week, at his/her base rate of pay less any deductions required by law or other off-setting income for the back pay period specified by the arbitrator.

The decision of the arbitrator shall be final and binding upon the University, the Union and staff member, unless either party seeks a review in an appropriate

court proceeding. In the event either party seeks a review, such procedure shall operate as a stay of the arbitrator's award until the judicial review is concluded.

The terms of any settlement agreed upon in a case that has been filed for arbitration shall be implemented as soon as practical, but in any event no later than forty-five (45) days after the settlement is fully executed. The settlement may contain, if appropriate, either as a term of the settlement, or as an appendix, a statement(s) concerning the implementation of the terms of the settlement.

With respect to contract interpretation grievances, the scope of judicial review shall be limited to determining whether the arbitrator's award is within the limits of the authority of the arbitrator as set forth in this Article.

A neutral arbitrator may hear and decide only one grievance during one arbitration proceeding unless otherwise mutually agreed in writing by the parties. In the event that either party asserts that the grievance is barred or waived by the grieving party's failure to follow procedures or adhere to the time limits specified in this Article, the neutral arbitrator selected in accordance with the provisions contained herein shall render a decision as to the waiver or bar of the issue prior to any hearing on the merits of the grievance, unless the parties mutually agree in writing otherwise. The parties agree that the issue of waiver or bar shall not be decided by the same arbitrator who decides the merits of the grievance, unless the parties mutually agree in writing otherwise. Both parties shall be given ample notice of the time and place of any hearing before the arbitrator and shall be afforded ample opportunity to present to the arbitrator evidence and contentions pertinent to the question or questions at issue, including the direct and cross-examination of all witnesses.

The arbitrator shall not substitute his/her judgment for the University where this Agreement has specified whose judgment will be used or the matter involved has been reserved to the University by law or this Agreement.

Upon receipt of the arbitrator's award, corrective action, if any, will be implemented as soon as practical, but in any event no later than thirty (30) calendar days after receipt of the arbitrator's award, unless a party wishes to challenge the award.

If the arbitrator's decision is not challenged within thirty (30) calendar days, the decision shall be final and binding. If challenged, the appropriate party must initiate such legal proceedings as available within thirty (30) calendar days of receipt of such award from the arbitrator. In the event such legal remedy is pursued, corrective action will be implemented no later than fifteen (15) calendar days after final resolutions by the courts.

15. Nondiscrimination

Neither the University nor the Union will discriminate against any staff member or applicant for employment, in any matter relating to employment because of race, color, creed, national origin, ancestry, nationality, sex, marital status, age, sexual orientation, or liability for service in the Armed Forces of the United States of America. Neither the University nor the Union will discriminate against any staff member because he/she is or is not a member of the Union, or because he/she has filed any complaints or grievance with the University or the Union.

16. Subcontracting Services

If the University contemplates contracting work normally performed by staff covered by this Agreement, the University agrees, prior to the execution for such contract to provide no less than five (5) weeks notice of such action, and to meet with the Union for discussion of the proposed contract. If such a contract is executed, the University agrees to give displaced staff consideration concerning other positions at the University for which they are qualified.

If such subcontracting necessitates the layoff of personnel, affected staff shall be given at least thirty (30) calendar days notice prior to being laid off.

17. Salary/Adjustment

17.1 Correcting Payroll Errors:

Payroll errors amounting to one day's pay or more, when brought to the attention of the Payroll Department, shall be corrected within 2 payroll workdays from the time the error is reported to Payroll by the affected staff member. Staff members scheduled to be off on payday may receive their paycheck the day before payday in accordance with University Policy.

17.2 Salary Program July 1, 2018 to June 30, 2020:

A. Salary Increases:

1. Effective on the first day of the first pay period after ratification of the Agreement, the base salaries of unit members who are on the University's payroll in a CWA 1031 negotiations unit position on the day of ratification shall be increased by \$1,995.00, retroactive to July 1, 2018.
2. CWA 1031 unit employees shall receive an across the board salary increase in the amount of 3%, effective July 1, 2019. To be eligible for this payment, members of the unit must be on the University's payroll in a CWA 1031 negotiations unit position on June 30, 2019.
3. CWA 1031 unit employees shall receive an across the board salary increase in the amount of 3%, effective July 1, 2020. To be eligible for this payment, members of the unit must be on the University's payroll in a CWA 1031 negotiations unit position on June 30, 2020.

4. CWA 1031 unit employees shall receive an across the board salary increase in the amount of 2.5%, effective July 1, 2021. To be eligible for this payment, members of the unit must be on the University's payroll in a CWA 1031 negotiations unit position on June 30, 2021.
- B. To be eligible to receive a retroactive payment for the July 1, 2018 across the board increase of \$1,995, an employee must be on the payroll on the date of ratification and on the date of payment.ⁱ
- C. The minimums, mid-points and maximums of the applicable salary ranges shall be increased by the above across-the-board increases set forth above.

The above salary increases of this Article are subject to the appropriation of and allocation to the University by the State of adequate funding.

In the event the University intends to withhold any of the economic provisions of this Article by invoking the "subject to" language, it is agreed that the invocation of the "subject to" language will be based on a determination by the University that there exists a fiscal emergency.ⁱⁱ If the University invokes the "subject to" language following the determination of a fiscal emergency, the University agrees as follows:

1. The University shall provide CWA with written notice of at least twenty-one (21) calendar days. The Notice shall contain a detailed explanation for the determination by the University that a fiscal emergency exists and shall specify the action the University intends to take to address the fiscal emergency at the conclusion of the twenty-one (21) calendar day notice period.

If due to a reduction in State funding/appropriations to the University for the next fiscal year, the University determines that a fiscal emergency exists and if based on the date the University learns of the reduction it is not possible to provide the full twenty-one (21) calendar days' notice, the University shall provide the maximum notice possible. If the University provides fewer than twenty-one days notice, upon request of the CWA negotiations pursuant to paragraph 3 below shall commence within 72 hours; however, the University shall be permitted to delay the implementation of salary increases during the shortened period of negotiations.

2. Along with the Notice provided to the CWA pursuant to paragraph 1 above, the University shall provide the latest available statements/financial documents, as follows:

The financial information upon which the University relies as the basis for its claim that a fiscal emergency exists;

ⁱ An employee who is in unpaid status due to being on an unpaid leave or an unpaid suspension is "on payroll" as that term is used in A and B above. Employees on unpaid leave or unpaid suspension during the period of July 1, 2018 to June 30, 2019, shall be eligible for a pro-rata retroactive payment for the time the employee was in pay status.

ⁱⁱ The determination of whether a fiscal emergency exists shall not be limited to whether there is a reduction in State appropriations/funding.

- The audited financial statements for the prior fiscal year;
- Quarterly Statement of Net Position (Balance Sheet) for the current fiscal year;
- Current projection of the Income Statement for the Unrestricted Educational and General Operating Funds (Operating Budget) for the current fiscal year;
- Quarterly Statement of Cash Flows (Statement of Cash Flows);
- Unaudited End of Year financial statements for the statements listed above;
- University budget request submitted to the Department of Treasury for past, current and upcoming fiscal years; and
- The University's Unrestricted Operating Budget for the current fiscal year and budget for the upcoming fiscal year.

The CWA may request in writing additional financial information. Disputes over the provision of information shall be decided by the designated arbitrator on an expedited basis.

3. During the notice period, upon written request by the CWA, the University shall commence negotiations over measures to address the fiscal emergency. The University is not obligated to negotiate to impasse in order to withhold any of the economic provisions of this Article. At any point during the notice period the CWA may file a 14.02 (A)(1) grievance pursuant to paragraph 5 below.
4. The CWA agrees that during the notice and negotiation period it will not initiate any legal action, in any forum, to challenge the University's intended action other than as specified in paragraph 3 above.
5. If the parties have not agreed upon measures to address the fiscal emergency, the CWA may file a grievance under Article 14.02(A)(1) of the Agreement. The grievance shall proceed directly to arbitration under Article 14.02. Such arbitration shall be concluded within ninety (90) days of implementation of the University's decision to withhold any of the economic provisions outlined above in this Article.

The arbitrator shall determine whether a fiscal emergency existed (exists) at the University based on the evidence presented. The arbitrator shall not have the authority to reallocate University funds.

The parties designate Arbitrator Bonnie Weinstock to hear disputes that arise under Article 20 Section A. The parties designate Arbitrator Joseph Licata as an alternate to hear such disputes. If neither arbitrator is available to hear the dispute consistent with the provisions of the "subject to" language contained in Paragraph A of this Article, the parties shall mutually agree upon another arbitrator.

When systematically feasible by Rutgers, the daily rate of pay shall be equal to the actual number of work days in the Rutgers' fiscal year which runs from July 1 to June 30.

When systematically feasible by Rutgers, the payroll projection shall be eliminated for an employee hired into the Local 1040 unit on or after the ratification of this Agreement by the parties.

6. Upon expiration of this Collective Bargaining Agreement, the parties agree to negotiate over the implementation of any portion of the following merit adjustment program.

Merit adjustments shall be made as follows:

Step 1: Determination of "share" value:

A "share" of the merit pool shall be determined as follows:

- a) The performance rating number (3, 4 or 5) shall be multiplied by the number of people in the operating unit receiving that rating.

Example:

10 people receive 5 $10 \times 5 = 50$

20 people receive 4 $20 \times 4 = 80$

50 people receive 3 $50 \times 3 = 150$

- b) Add the total number of "points" of resulting calculation:

$50 + 80 + 150 = 280$ "points"

- c) Divide the merit pool dollars by the total number of "points" to determine the value of one "share".

Example:

1.7% of operating unit payroll = \$45,000

$\$45,000$ divided by 280 = @ \$160 one (1) "share" = \$160

Step 2: Distribute merit pool by performance rating, as follows:

- a) Employees receiving a rating of "5" shall receive a merit adjustment of one share multiplied by five (5):

Example: $5 \times \$160 = \800

All employees in the operating unit receiving a rating of 5 would receive a merit adjustment of \$800.

- b) Employees receiving a rating of 4 shall receive a merit adjustment of one share multiplied by four (4):

Example: $4 \times \$160 = \640

All employees in the operating unit receiving a rating of 4 would receive a merit adjustment of \$640.

- c) Employees receiving a rating of 3 shall receive a merit adjustment of one share multiplied by three (3):

Example: $3 \times \$160 = \480

All employees in the operating unit receiving a rating of 3 would receive a merit adjustment of \$480.

The numbers set forth above are included for illustrative purposes only, and are not intended to establish a guaranteed level of benefits as to any member of the bargaining unit.

Miscellaneous

1. Minimums and maximums for each salary range shall be as follows:
 - a) FY 06 – Increase by 2.5%
 - b) FY 07 – Increase by 2.5%
2. An individual whose salary increase as set forth above would raise his/her salary to an amount exceeding the maximum for the salary range for his/her title will be given a one time salary bonus in lieu of that portion of the salary increase which exceeds the salary range maximum.
3. The parties recognize and agree that the amounts distributed to employees may vary from one operating unit to another in any given year, as well as from year to year, based upon the aggregate results of the performance ratings in each operating unit each year.
4. In the event that the average performance appraisal score for the entire operating unit is less than a “3”, the following limitation will apply. The maximum merit adjustment which any individual employee may receive shall be capped at (4) times the stated percentage used to define the merit pool based upon the employee’s salary.

Example: If the merit pool is defined as one percent (1%) of CWA salaries in the operating unit, the maximum increase which an employee may receive is 4% of his/her salary (i.e., $4 \times 1\% = 4\%$).

5. There will be no other merit increase and no other “cost-of-living” or “across the board” increase other than those referred to above.
6. The dollar amounts expressed in this Article are unique to each fiscal year of this agreement and shall in no manner whatsoever be considered part of the status quo subsequent to the expiration of this agreement.

18. Maintenance of Benefits

The fringe benefits, which are substantially uniform in their application to bargaining unit members and which are currently provided to those staff members, shall remain in effect without diminution during the term of this Agreement unless modified herein or by subsequent agreement of the parties.

19. Complete Agreement

The University and the Union acknowledge this to be their complete Agreement inclusive of all negotiable issues whether or not discussed and hereby waive any right to further negotiations except as may otherwise be provided herein or specifically reserved for continued negotiations by particular reference in memoranda of understanding predating the date of signing to this Agreement and except that proposed new rules or modification of existing rules governing working conditions shall be presented to the Union and negotiated upon the request of the Union as may be required pursuant to Chapter 303 of the Law of N.J. 1968 as amended.

20. Availability of Contracts

The University agrees to post this contract on its web site.

21. Term of Agreement, Successor Agreement Negotiations Procedures

21.1 Term of Agreement:

This agreement shall become effective on the date when the Union presents written certification of proper ratification to the University and shall remain in full force and effect until June 30, 2022. The certification shall be effective if delivered to the University within thirty (30) days of the signing of the Agreement.

21.2 Successor Agreement:

The Agreement shall be renewed from year to year thereafter unless either party shall give written notice of its desire to terminate, modify or amend the Agreement. Such notice shall be by certified mail prior to December 1, 2021. The parties agree to enter into collective negotiations concerning a successor Agreement to become effective on or after July 1, 2018 subject to the provision above.

21.3 Negotiations Procedures:

The parties also agree to negotiate in good faith on all matters properly presented for negotiations. Should an impasse develop, the procedures available under law shall be utilized exclusively in an orderly manner in an effort to resolve such impasse.
